Same Location & Same **FREE** Parking!

The weekend of March 10 & 11, 2023 marks when several thousand ham radio operators, their friends, and families will gather at the **2023 Charlotte Hamfest™!** In 2023, we continue to be at the **Cabarrus Arena & Events Center**, 4751 Highway 49 North, Concord, NC. The Arena is conveniently located just minutes away from I-85, I-485, and the Concord Mills Mall. We are in the **Gold Hall**.

2023 Charlotte Hamfest Show Hours

Friday: 3:00 PM to 7:00 PM

Saturday: 8:30 AM to 4:00 PM

Don't miss celebrating the end of winter at the biggest and best indoor, climate controlled Hamfest in the Southeast!

The Charlotte Hamfest is an ARRL Sanctioned Hamfest. We actively run paid advertisements for our Hamfest in regional print publications such as the SERA Repeater Journal, we also promote the event on Facebook.

We are again this year providing **FREE Parking** for everyone attending the 2023 Charlotte Hamfest. Our Free parking is paid by the Charlotte Hamfest Committee, as this bonus draws many hams back to our event over and over again.

Our flea market tables sell out very quickly. We only have 154 indoor tables; we expect to have a Flea Market Area 'sell-out'. With such a limited number of tables available, we recommend you get your table order in *early*. Don't be left out by delaying your order until it is too late.

The Mecklenburg Amateur Radio Society, Inc., W4BFB of Charlotte, NC, proudly sponsors this annual event through the Charlotte Hamfest Committee. Spark your new year by being at our 2023 Charlotte Hamfest.

Many of our costs of producing the Charlotte Hamfest have increased significantly. Over the years we have tried to keep our charges as low as possible. This year you will see increases in some of our charges due to these changes. We think the charges are reasonable and will provide you with more flexibility.
